METROPOLIS PIANO FORTE ASSOCIATION. TWO more splendid seven-octave Pianos, from those celebrated American manufacturers, Hallott, Davis & Co., Boston, have been at the Ladies' Saloon of the Odd-Fellows' Hall. Also, one of H., D. & Co.'s best Louis XIV. style, seven octaves, with rosewood case, four round cornegs, Gothic mondding, carved plintb, open work-desk and fret-work. richly-carved legs and highly-finished, which will compare for richness of tone and elegance of style with any manufactured in this country or Europe.

highly-finished, which will compare the elegance of style with any manufactured in this country and elegance of style with any manufactured in this country as Europe.

Notwithstanding the scurrilous remarks made by a certain vender of the Chickering Pianos, that "the instruments made by Hallett, Davis & Co., are worthloss, perfect humbugs," &c., we can only say that we do not offer the public any but what are the genuine H., D. & Co.'s; and competent persons, honest, without prejudice, have pronounced them equal, if not superior, to any heretofore offered in this city, and at a saving of one hundred and fifty dollars! Whatever humbug there may be elsewhere, there is none here; and, on behalf of the manufacturers, we challenge competition, and request the public to examine, judge, and decide for themselves. A word to the wise is sufficient.
